### "Petitions from Moore County for a Town

To the Honorable the General Assembly of the State of North Carolina now sitting at Fayetteville.

The Pitition of a number of the Inhabitants of Moore County Humbly Sheweth -

That your petitioners if not labouring under singular disadvantages would with we diffidence trouble your honorable with matters not worthy (of) your notice or which do not evidently demand relief your pititioners presents that their court house stands on land the property of an individual who refuses to give a title for as much as the courthouse now covers or for land to lay of(f) a town for the convenience of the citizens of the county and put it out of the power of one or two inhabitant(s) to menopolize the accomodations of the whole county and that on terms extortionate and enormies.
